EDUCATIONAL OBJECTIVE

At the conclusion of the course, the participants will be able to:
- Identify new trends in internal medicine
- Summarize new therapeutic approaches
- Recognize important clinical syndromes

Faculty appointments are at the Hofstra School of Medicine, NS-LIJ Health, unless otherwise noted.

STATEMENT OF NEED
Advances in these fields need to be presented to NSUH and LIJMC faculty and other physicians on a regular basis as one means of promoting state-of-the-art health care for patients.

TARGET AUDIENCE
Physicians, residents, fellows, PAs, nurses and nurse practitioners from all specialties interested in medicine.

COURSE OBJECTIVES
Physicians attending this conference will be apprised of recent advances in medicine that will lead to improved patient care.

CME ACCREDITATION STATEMENT
North Shore-Long Island Jewish Health System designates this educational activity or a maximum of 1 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

DISCLOSURE POLICY STATEMENT
North Shore-LIJ Health System adhere to The ACCME’s New Standards for Commercial Support. Any individuals in a position to control the content of CME activity, including faculty, planners and managers, are required to disclose all financial relationships with commercial interests. All identified potential conflicts of interest are thoroughly vetted by North Shore-LIJ for fair balance and scientific objectivity and to ensure appropriateness of patient care recommendations.
